Discounts:

The following discounts are available for 2016

- **Multi Session and Multi Family:** When any member of a family signs up for a camp, that person and any other person in the same family will get a \$40 discount for any additional camp(s) that you sign up for.
- **Goalie Discount:** Any goalie who signs up for the Goalie Camp (July 5-9, 2016) is eligible to sign up for an additional camp to attend as a goalie at the cost of \$350 for a Resident Camper or \$250 for a Day Camper. This is all based upon availability so it is on a first come basis.

How Discounts can be taken in 2016:

In the new Camp and Class Manager online system the Kent Hockey Schools is using in 2016, in order to receive the discount automatically, you must make all your purchases at one time. You cannot purchase one session and go back at a later date and automatically get the discount for the second or third session. You will still get the discount if you go back at a later date, but you must do the following:

- Sign up for another session and when you are checking out, pay the \$100 deposit (do not pay the full amount). After completing the registration process, send an email to wswitaj@kenthockeyschools.com We will then adjust your balance and notify you by email.
